

HELD UP BY BOY ROBBERS.

Little Lena Anderson Beaten and Plundered by a Gang of Five Young Toughs.

They Sprang Upon Her from a Doorway on Avenue C and Rifled Her Pockets.

THREE OF THEM UNDER ARREST.

Six-Year-Old Eva Halpin Saw the Assault and Screamed for Help—Viewed the Theft as a Huge Joke.

Three boys, whose ages range from thirteen to sixteen years, were prisoners in Essex Market Court yesterday on the charge of having held up and robbed a little girl in Avenue C, near Fourteenth street.

Due toward the corner of Fourteenth street, Policeman Scifford, of the East Houston Street Station, appeared just in time to see the direction in which they ran.

Lena was taken along to the station house, where she told the story of the robbery, after which she was sent home.

The boys were searched, but no money was found in their pockets. They were sent to the rooms of the Gerry Society. They took their arrest very coolly, and seemed to think the whole thing was a huge joke.

Lena Anderson.

She was held up by a gang of boys on Avenue C, near Fourteenth street, and robbed of her week's earnings. Two of the alleged assailants were arrested.

Lives with her parents at No. 638 East Ninth street. She is employed in Wickes's cigar box factory, at Thirty-first street and First avenue, and when going to her home at night is generally accompanied by Annie Myers, a girl of her own age, who works with her and lives in Fourteenth street, near Avenue C.

The girls were paid Monday night, Lena's wages being \$1.70. This she had in an envelope in her pocket. When the two girls reached the Fourteenth street corner they stood talking for a few moments, then Annie started on her way home.

THE THIEVES SURROUNDED HER. Lena had walked only a few feet along the west side of Avenue C when five boys jumped out of a doorway and surrounded her.

Without a word one of them, a negro, caught her by the arm and tried to trip her with his foot. The girl began to scream for help, and fought with the boys until one of them struck her in the side with his fist, while another got behind her and put his arms around her neck and face so as to smother her cries.

The robbery was witnessed by six-year-old Eva Halpin, of No. 223 Avenue C, who set up a great cry when she realized what was going on. As soon as the money was secured the boys ran across the avenue toward the corner of Fourteenth street.

Justice McCarthy, in the City Court, yesterday, fined Rudolph Aronson, the theatrical manager, \$25 for contempt of court for failing to appear for examination in supplementary proceedings.

Two of the Boy Robbers. George Green, colored, and Martha Burrian were captured by Patrolman Scifford shortly after the gang had succeeded in robbing Lena Anderson of \$1.70 on Avenue C, near Fourteenth street, at 7 o'clock in the evening.

Before Mr. Cagney could introduce his resolution endorsing the President Mr. Robertson moved to adjourn. A joint committee was appointed to prepare for Governor Griggs's inauguration next Tuesday, which the Legislature adjourned to next week.

ESSER'S INDEPENDENT INVESTIGATION.

The Superintendent of Poor is Gathering Facts About the Use of Chains and Cat-o'-Nine Tails in the Destitute Children's Home.

White Plains, Jan. 14.—Judge Daniel Guernsey, of Poughkeepsie, who has been appointed by Justice Dykman to act as referee in the taking of testimony as to cruelty practiced upon boys and girls committed to the care of the Westchester Temporary Home for Indigent Children, which James W. Esser is superintendent, says that he will not be ready to start the investigation for several days.

It is thought by him that as Harry Weeks, the abuse of whom led to the exposure, is free, and as representatives of the State Charity Association recently visited the institution, questioned all the inmates, and established the fact that the children had been cruelly treated, and that iron and chains must go, there is no need of Judge Guernsey's acting at once.

How Are You?

YOU HAVE often been asked this question, but have you ever realized its serious meaning? If you were asked it at this very moment could you candidly reply, "I am feeling quite well"? Might you not be forced to answer, "I am not feeling so well as I ought to feel"?

THIS IS a serious question for you to consider, because this is a dangerous time of the year. Wintry weather is a severe strain on the system, and alarming results are very apt to follow a sudden cold or chill.

ARE YOU experiencing any symptoms which show there is a weak spot in your system? Do you feel weak and shivery in these cold wintry days? Do you have pains in the back, headaches, stomach troubles, dizziness, loss of appetite? Are you a sufferer from constipation, biliousness, restlessness, and many other miserable feelings caused by derangements of the liver and kidneys?

IF YOU are feeling like this, and realize that your system lacks tone and strength, remember that you cannot expect to get well without the aid of a reliable remedy. Something is needed to arouse nature by stimulating the great organs of the body—arousing the circulation and renewing the vital powers. For this purpose nothing has ever equalled Warner's Safe Cure, the great restorer and health-giver. Its effects are immediate and lasting. It speedily puts the liver and kidneys in good order, purifies and enriches the blood, and drives out every dangerous germ of disease that lurks in the system. There is nothing like it for building up the strength and regulating the digestive organs. It is not an experiment, but a standard remedy, indorsed by the world's greatest physicians. No other remedy has ever received such an enormous number of testimonials from people whom it has made strong and well.
